

I would like to personally invite you to participate in the 2008 Dante Hall Celebrity Golf Outing on Tuesday, October 21, 2008 at Whitmoor Country Club. Proceeds from the event will benefit the Institute for Science and Health's Pancreatic Cancer Research Program and Diabetes Research Program.

Following Gene Upshaw's sudden death from pancreatic cancer in August of this year, I decided it was time to act and bring awareness to the devastating disease, pancreatic cancer. I have also chosen to focus my efforts on diabetes, since I have witnessed the effects of it firsthand from my close family members.

The tournament will begin at 11 a.m. with a shotgun start and feature a scramble format where each foursome has a chance to be paired with a celebrity for the day. This golf outing is like no other, we will feature a variety of food, drinks & experiences on the holes of the golf course (from delicious foods to refreshing cocktails to massages and cigars).

We would love to have you involved by setting up a station on one of the holes on the golf course. A tent, table & two (2) chairs will be provided for you on the hole and golfers will experience your featured items (being food, drinks and/or service) while teeing off at that hole. Not only does this create a memorable experience for our golfers, but allows you to promote your featured items or services while supporting a great cause.
